This made the Duchy of Lancaster the main landowner in Harrogate. Harrogate grew because of its special spring water, which was rich in iron and Sulphur.

The first spring was found in 1571 by William Slingsby. He noticed the water was like the healing waters in Spa, Belgium. A doctor named Edmund Deane wrote a book about the water in 1626, making it famous.

Spain 2028 Christmas and New year (Pending Interest)

For 2028 we are thinking of putting a trip together to Spain, We would like to do a trip for both Christmas and the New Year.

This is something we have done for many years staying in a hotel called the Kaktus Playa in Calella on the Costa Brava. We would set off down to Dover to make the 10 am crossing. We would then head to an overnight hotel to rest for the night and have a meal. The next morning we would be setting off to Spain to the hotel where we would be staying for 10 days.

All the Christmas celebrations and the New Year too would be taken care of, and no washing up!

Customer Reviews From Trustpilot

We had a fabulous holiday from start to finish. Our coach drivers were first class. *Nigel* and Sarah couldn't do enough and were entertaining throughout. *Nigel* was really informative and we stopped at some beautiful little towns for lunch.

From start to finish, it was an excellent journey. The drivers *Nigel* and Sarah were professional in every way, looking after our needs and informative at every occasion.

The hosts and drivers on the coach, the partnership of *Nigel* and Sarah made the holiday. Great tour guides, very knowledgeable and informative. Exceptional Customer care.

This is our 3rd holiday in Italy, but our 1st to Lake Garda, without doubt it was one of the best holidays we have been on. *Nigel* and Sarah were fantastic, really looked after everyone and was very informative about all the locations we visited...lovely caring team.

Our drivers *Nigel* and Sarah were outstanding and we would like to travel with them again.

Nigel and Sarah made the trip they are the best driver team I have travelled with and went above and beyond to make the tour amazing.
The hotels were adequate for the time we spent in them and Lake Maggiore was especially lovely for location. The excursions were lovely and although I have limitations with walking so didn't go on the guided tours we were able to enjoy everywhere we visited.

Our coach drivers *Nigel* and Sarah made us feel welcomed and we're extremely helpful, friendly and gave professional service, always attentive to my needs always helped me off the coach and had my walker ready for me. The coach was extremely comfortable and immaculately clean inside and out. We have never laughed so much.

Why not visit the Knott-end café, just at the top of the ferry slipway. Great food and a warm welcome, the owners are great people and they really do work hard to provide visitors with good food and drink.

If you're looking for something to do for a nice day out then why not jump on the Blackpool tram system to Fleetwood and visit the Market, then hop on the Wyre ferry to Knott-end-on-sea and have a bite to eat at the cafe.

The Fleetwood to Knott End ferry service has been in operation since 1841. It links the town of Fleetwood with the rural communities of Knott End, Pilling and Preesall. A vital form of transport between communities for local people, it's well loved by tourists who use it to explore the area.

Swann tours office is now located in Nigel and Sarah's own home. This is located on the Esplanade in Knott-end-on-sea, but the coach is still parked in Blackpool where Swann tours will be departing from on the tours.

Swann Tours will be continuing with the current Facebook page and we will be posting our adventures on the page for our guests to be able to get photographs of their holidays.

Also our Website will have the current Brochure and Additional information to keep up with what we are doing as a company.
